

Tippecanoe River State Park's Halloween Weekend of Family Fun October 27 ~ 29th

Friday, Oct. 27th:

-Decorate your site and get ready for a weekend of spooky fun!

Saturday, Oct. 28th:

The campground host will have a variety of activities and games Saturday afternoon and evening. Some of these include:

-Piñatas-Get blindfolded and see if you can hit the piñata to make it spill its candy!

-PUNKIN' DUNKIN'-This one gets messy! Dig through the "pumpkin guts" to get what's at the bottom, but.....there's a catch!!!!!!

-THE AMAZING MAZE-John and Friends will once again try to outdo themselves when constructing this year's maze. Get ready to crawl through, and hope you make it out! No lights allowed!!!!!!!!!!

-TRICK or TREAT (AT DUSK)-Put on your favorite costume and walk through the campground to see what types of tricks and treats you can collect! Campground roads will be closed to traffic during this time to protect the little ghosts and goblins.

Sunday, Oct. 29th (and all weekend):

-PHOTO SHOOT-Bring your camera and get some pictures of the kids (young and old) at John's Halloween Photo Shoot. Arrange the set as you like!

Special thanks to October Campground Host John Gilbert, his family and friends, and all of our campers that decorate and get in the Halloween Spirit to make this such an enjoyable weekend at Tippecanoe River State Park.
